8.4.3 Exemption and Transfer Credit

Students may receive formal credit for work completed at another institution. This credit may be applied toward the requirements for the degree. The amount of credit granted is determined by the faculty. Credit is granted for work completed at another institution that is equivalent to the work required for the degree. Credit is granted for work completed at another institution that is equivalent to the work required for the degree. Credit is granted for work completed at another institution that is equivalent to the work required for the degree.
