This publication provides guidance to prospects, applicants, students and staff.

1. McGill University reserves the right to make changes to the information contained in this online publication - including correcting errors, altering fees, schedules of admission, and credit requirements, and/or cancelling particular courses or programs - without prior notice.
2. In the interpretation of academic regulations, the Senate is the final authority.
3. Students are responsible for informing themselves of the University's procedures, policies and regulations, and the specific requirements associated with the degree, diploma, or certificate sought.
4. All students registered at McGill University are considered to have agreed to act in accordance with the University procedures, policies and regulations.
5. Although advice is readily available on request, the responsibility of selecting the appropriate courses for graduation must ultimately rest with the student.
6. Not all courses are offered every year and changes can be made after publication. Always check the [Mines and Class Schedule](https://banweb.mcgill.ca/pban1/bwckschd.p_disp_dyn_sched) link at https://banweb.mcgill.ca/pban1/bwckschd.p_disp_dyn_sched for the most up-to-date information on whether a course is offered.
7. The academic publication year begins at the start of the fall semester and extends through to the end of the winter semester of any given year. Students who begin study at any point within this period are governed by the regulations in the publication which came into effect at the start of the fall semester.
8. Notwithstanding any other provision of the publication, it is expressly understood by all students that McGill University accepts no responsibility to provide any course of instruction, program or class, residential or other services including the normal range of academic, residential and/or other services in circumstances of utility interruptions, fire, flood, strike, work stoppages, labour disputes, insurrection, the operation of war or acts of God or any other cause (whether similar or dissimilar to those enumerated) which reasonably prevent their provision.

Note: Throughout this publication, "you" refers to students newly admitted, readmitted or returning to McGill.

1 General Policies and Information

Revision, February 2012. Start of revision.

Students must inform themselves of University rules and regulations and keep abreast of any changes that may occur. The General Policies and Information section of this publication contains important details required by students during their studies at McGill and should be periodically consulted, along with other sections and related publications.

Revision, February 2012. End of revision.

1.1 Authorization, Acknowledgement, and Consent

Revision, February 2012. Start of revision.

When applying for admission to the University, you are bound by and agree to obey all statutes, rules, regulations, and policies at McGill University and the faculty or faculties to which you may be accepted and registered in, including policies contained in the University Calendars and related fee documents. Your obligation as a student begins with your registration and ends in accordance with the University's statutes, rules, regulations, and policies.

You should verify all information or statements provided with your application. Incorrect or false information may jeopardize your admission. The University reserves the right to revoke an admission that is granted based on incorrect or false information in an application or supporting documents.

Revision, February 2012. End of revision.

1.2 Student Rights and Responsibilities

Revision, February 2012. Start of revision.

The Handbook on Student Rights and Responsibilities is produced jointly by the Office of the Dean of Students and the University Secretariat. It contains regulations and policies governing your rights and responsibilities as a student at McGill, and is available to you electronically at www.mcgill.ca/secretariat/policies/students

To find out more about this topic, see www.mcgill.ca/students/srr

Revision, February 2012. End of revision.

1.3 Language Policy

Revision, February 2012. Start of revision.

The main language of instruction at McGill is English. You have the right to write essays, examinations, and theses in English or in French except in courses where knowledge of a language is one of the objectives of the course.

If you need to improve your English skills, you should take an intensive course in English as a second language before or at the start of your studies. Information concerning second-language courses can be found through the School of Continuing Studies at www.mcgill.ca/conted/langprog and the French Language Centre at www.mcgill.ca/c, and in the Summer Studies and School of Continuing Studies publications. There are special language requirements for Faculty of Education students; see Faculty of Education publication.

Note for Continuing Studies: For English language programs, see School of Continuing Studies Programs, Courses and University Regulations publication under Areas of Study > Languages > [The Language and Intercultural Communication Unit](#) [English Language Programs](#)

Note for Law: Due to the bilingual nature of the law program, examinations, term papers, and essays may be written in either English or French. Participation in Moot Courts may also be in either language. While examination questions are set in the language in which a course is given, they may contain materials in either English or French.

Note for Graduate and Postdoctoral Studies: You should refer to Graduate and Postdoctoral Studies University Regulations and Resources > Regulations > Registration > Courses Taken as Extra to a Program

Revision, February 2012. End of revision.

If you do not want to authorize the University to disclose personal information to the organizations mentioned above in 8, 9, 10, and 11, you must complete and submit an Opposition Form, available at Service Point (www.mcgill.ca/students/servicepoint)

Revision, February 2012. End of revision.

1.7 Email Communication

Revision, February 2012. Start of revision.

All students are assigned a McGill Email Address (usually in the form of `firstname.lastname@mcgill.ca`) and access to a McGill email mailbox. You can view your McGill Email Address and set your McGill Password on Minerva (www.mcgill.ca/minerva), under the Personal Menu.

Email sent to your McGill Email Address is an official means of communication between McGill University and its students. As with all official University communications, it is your responsibility to ensure you read and act upon University emails in a timely fashion. If you choose to forward University email to another email mailbox, it is your responsibility to ensure that the alternate email mailbox is valid.

You should read and familiarize yourself with the Code of Conduct for Use of McGill Computing Facilities and Email Communications with Students policies found under Information Technology on the University Secretariat website at www.mcgill.ca/secretariat/policies/informationtechnology. For more information on email for students, refer to www.mcgill.ca/it and see section 12 For your Information Technology (IT) needs.

Note for Continuing Studies: The above services are not available if you are registered in short courses or seminars not recorded on the official McGill transcript.

Revision, February 2012. End of revision.

1.8 Responsible Use of McGill Information Technology Resources

Revision, February 2012. Start of revision.

You must comply with the Policy on the Responsible Use of McGill Information Technology Resources as approved by the University Senate. You can find this policy in the listing of University Policies, Procedures and Guidelines under Information Technology, at www.mcgill.ca/secretariat/policies/informationtechnology.

Revision, February 2012. End of revision.

1.9 Non-smoking Policy

Revision, February 2012. Start of revision.

Quebec law prohibits smoking in public buildings. For more information, see www.mcgill.ca/adminhandbook/adminiactive-policies-and-procedures/smoking

Revision, February 2012. End of revision.

1.10 Health Insurance International Students

Revision, February 2012. Start of revision.

By Senate regulation, all international students (full-time, part-time, half-time, additional session, Special, Exchange/Visiting) and their accompanying dependants must participate in the University's compulsory International Student Health Insurance Plan. 3 Student Types and Registration Procedures

All students, including McGill students, Quebec Inter-University Transfer students, and Special Admitting Students from universities outside Quebec, must register using Minerva, McGill's web-based registration system at www.mcgill.ca/minerva. Once you have determined your student type, be sure to take note of the registration procedures in the corresponding column. Please note that students with outstanding fees from previous terms will be denied access to register on Minerva.

permission should state the course(s) and number of credits that may be taken and must accompany the documentation sent to McGill.)

D) A Special Student is:

One who has received either a conditional or final letter of acceptance to a McGill undergraduate degree or diploma program.

Anyone who is not currently registered in a degree or diploma program either at McGill or elsewhere.

One who is graduating from McGill University in the month of June 2012.

Note: If you have received a final acceptance to a McGill undergraduate degree or diploma program for fall 2012 and have

Summer session, please visit www.mcgill.ca/students/courses/add/register for instructions on how to register for your courses.

Note that you must provide your Permanent Code and supporting documents according to the regulations explained in [section 2.1.2 Legal Documents What Documents Does McGill Need from You?](#) Please read this section carefully before submitting your application.

If you bring your application in person, you will be issued a McGill ID number and Personal Identification Number (PIN) to access McGill's web-based information system.

If you apply by mail, you will receive a letter of confirmation indicating your student number and indicating that you should use Minerva to add your course(s). Processing of mailed-in application forms will begin

The three numbers following the Subject Code refer to the course itself, with the first of these indicating the level of the course.

Courses numbered at the 100, 200, 300, and 400 are intended for undergraduate students. In most programs, courses at the 300 and 400 are normally taken in the student's last two years.

time at which each course section is held; do not register for course sections that have a time overlap; or
departmental approval required: specified in the course description; and
placement examination required: specified in the course description.

If you are currently a McGill student, please consult the Undergraduate Programs, Courses and University Regulations publication at www.mcgill.ca/study to check your course and program requirements and consult your faculty student affairs officer for a list of Summer courses that are admissible for credit toward your degree. Other courses may be taken but may not count toward your degree requirements.

3.5 Department Approval

Some courses require that you first obtain department approval from the department offering the course (for Education courses, from the Student Affairs Office, Faculty of Education) before registering. A course requiring department approval will be listed as such in the Class Schedule. Department approval gives you the permission to register, but does not reserve a place in the course.

Since enrolment in these courses is on a first-come, first-served basis, you should register on Minerva as soon as you have your Department Approval.

3.6 Course Changes

All students must use Minerva to make any changes to their course selection. You can use Minerva to add or drop courses at any time up to and including the fourth scheduled day of classes (which include lectures and laboratories). See the specific dates outlined in [Key Dates, Summer 2012](#).

Inter-University Transfer (IUT) students wishing to drop or withdraw from their course(s) should use Minerva to cancel the course on CREPUQ. Cancellation of a course on CREPUQ is not sufficient. If you want to take a different course you must reapply on the CREPUQ site at crepuq.qc.ca and, upon approval, register for the course using Minerva.

You are responsible for all courses in which you are registered unless you formally drop the courses online using Minerva before the deadline date. Neither notification of the course instructor nor discontinuing class attendance is sufficient. Please see [section 4 Fees](#) for information on refunds.

3.7 Course Drop and Withdrawal

You may drop (with refund) a course on Minerva up to and including the fourth (4th) scheduled class, and withdraw (without refund) from a course from the 5th to 8th scheduled class. A withdrawal means that a grade of "W" will appear on your record and you will not be eligible for a fee refund. See the specific dates outlined in [Key Dates, Summer 2012](#).

Students who do not attend classes and examinations and/or who do not formally withdraw will receive a grade of "J" on their transcripts. If, after the eighth day of class, illness or special circumstances force you to stop attending class, permission may be granted for an official withdrawal (without a refund). In such cases, you must apply in writing to the Associate Dean/Director of the faculty in which you are registered. If permission is granted, a grade of "W" or "WF" will be assigned.

Note for the Faculties of Arts and Science (including B.A. & Sc.): Requests are made at the Service Point (3415 McEvish). However, it is important that you also see a faculty adviser in Mason Hall to talk about your options and the effects that your request may have on your studies. For more information, see www.mcgill.ca/students/advising.

If the course is cancelled due to insufficient enrolment, fees are refunded. There are no refunds under any circumstance if you withdraw from a course after the fourth scheduled day of classes (which include lectures and laboratories).

* Note: The add/drop and withdrawal deadlines may be different for intensive courses. Please consult the course description for details.

3.8 Your Responsibility

While departmental and faculty advisers and staff will provide advice and guidance, you have ultimate responsibility for:

- the completeness and correctness of your course selection and registration;
- compliance with the completion of the course requirements;
- observance of regulations and deadlines as outlined in the 2012 Summer Studies publication.

3.9 Quebec Inter-University Transfer Agreement: McGill Students

Revision, February 2012. Start of revision.

The Quebec Inter-University Transfer (IUT) agreement permits concurrent registration at McGill and another Quebec institution.

If you are a regular McGill undergraduate or graduate degree, diploma, or certificate student, you may register with your faculty's permission, at a Quebec university for three, or in some cases six credits per term in addition to your registration at McGill. You may also obtain permission to complete a full term (i.e., 12 to 15 credits) at another Quebec university. These courses, subject to faculty regulations, will be recognized by McGill for the degree that you are registered for up to the limit imposed by the residency requirements of the program. Normally you must complete a minimum residency requirement of 60 credits at McGill in order to qualify for a McGill degree (you should check with your faculty). This privilege

3.11 Courses Taken under the Satisfactory/Unsatisfactory (S/U) Option

Revision, February 2012. Start of revision.

The principle of the Satisfactory/Unsatisfactory (S/U) option is to encourage you to take courses outside the area of your specialization with the objective of enabling you to acquire knowledge and skills in a variety of fields.

Where permitted by faculty and program regulations, you may take one elective course per term to be graded under the Satisfactory/Unsatisfactory (S/U) option, to a maximum of 10% of your credits taken at McGill to fulfill the degree requirements.

If you decide to have an elective course graded as Satisfactory/Unsatisfactory (S/U), you must do so before the Course Change deadline on Minerva (www.mcgill.ca/minerva) as part of the Student Menu > Registration Menu > Quick Add or Drop Course Sections Menu. You cannot make any changes after the Course Change deadline even if you selected the option by mistake. If the course is a multi-term course, you must select the S/U option by the Course Change deadline of the first part of the course.

The instructor will report grades in the normal fashion. Grades of D through C are converted to "Satisfactory" (S), and grades of D- and J are converted to "Unsatisfactory" (U). The courses taken under the S/U option will be excluded from the grade point average (GPA) calculations, but they will be included in the attempted credits total. Credits for courses with a final grade of S will also be included in the number of credits earned.

Note: To be considered for in-course awards, including Dean's Honour List designations, and/or the various entrance scholarships, you must complete at least 27 graded credits in the regular academic session, not including courses completed under the S/U option.

Note: The S/U option is not available via Minerva to Visiting, Exchange, or Quebec Inter-University Transfer Agreement (IUT) students. These students must first contact their home university to ensure that a course taken under the S/U option is acceptable to their home university and that the credits are transferable. After receiving approval from their home university and before McGill's Course Change deadline, they must then consult their McGill faculty Student Affairs Office for approval. Students in the faculties of Arts or Science: you will need to go to Service Point (3415 McTavish Street) to make this request. However, it is important that you also see a faculty adviser in Dawson Hall to talk about your options and the effects that your request may have on your studies. For more information, see www.mcgill.ca/students/advising

Note: Special Students are not eligible to select the S/U option.

For further information, contact your departmental adviser or student affairs office, as appropriate.

Note for Agricultural & Environmental Sciences, Arts, B.A. & Sc. and Science Freshman year (U0) students are not eligible to select the S/U option.

Note for Engineering:

You will only be permitted to take a course under the Satisfactory/Unsatisfactory (S/U) option if you are in Satisfactory Standing.

B.Eng. and B.S.E. students may use the S/U option for Complementary Studies courses (i.e., Group of Technology on Society and Group B Humanities and Social Sciences, Management Studies and Law). You cannot use the S/U option for courses in another category of the Engineering programs. If you choose not to use the S/U option, a grade of D is acceptable as a pass for these Complementary Studies courses. B.Sc.(Arch.) students may use the S/U option for elective courses taken outside the School of Architecture. You cannot use the S/U option for courses in another category of the Architecture program. If you choose not to use the S/U option, a grade of D is acceptable as a pass for these elective courses.

You cannot use the S/U option for courses that do not satisfy a minor.

Note for Law: The S/U option is only applicable to non-LL.B. electives.

Note for Management: The S/U option is not available on Minerva for Management students. Requests for the S/U option can only be made during the official add/drop period. Please contact the BCom Office (www.mcgill.ca/desautels/bcom/contact) for details on the conditions that apply.

Note for Music: Music students may use the S/U option for elective courses taken outside the Schulich School of Music (non-music courses). Please note that the S/U option is not permitted for courses that do not satisfy a minor.

Revision, February 2012. End of revision.

3.12 Auditing of Courses

Revision, June 2011. Start of revision.

McGill does not permit auditing of courses.

[Student Accounts](#) website under Tuition and Fees > General Information International students who already hold an International Student Fee Exemption may use it for Summer courses.

For more information concerning Fee Exemptions, contact Service Point www.mcgill.ca/students/records/contact

4.2.3 Other Policies Related to Fees: Overdue Accounts

All tuition and fees assessed by the University must be paid in full or arrangements must be made to settle the debt.

Students' accounts are considered delinquent if they are not paid in full within 60 days after the bill is issued. McGill places a financial hold on these accounts, preventing students from obtaining official academic transcripts and from accessing MyMcGill registration functions.

Interest: Interest is charged on overdue balances at the monthly rate of 1.24%, multiplied by the balance outstanding at the end of the month (14.88% annually). The rate is re-evaluated each Spring, and then is set for the following academic year.

Note: You should regularly verify your account balance on MyMcGill.

The University has no obligation to issue an transcript of record, award any diploma, or re-register a student if you do not pay your tuition fees, library fees, residence fees or loans by their due date.

4.2.3.1 Information for Registered Students

If you register for a term but still owe amounts from previous terms, you must either pay your account or make payment arrangements with the Student Accounts Office before the end of the course add/drop period. If you have financial difficulty, first contact the Student Aid Office (Brown Student Services Building, Room 3200; 514-398-6013) to discuss the possibility of obtaining financial aid.

If you fail to pay the previous term's fees or to make arrangements to settle your debt prior to the add/drop deadline, the University will cancel your registration in the current and subsequent terms.

4.2.3.2 Information for Students who are No Longer Registered

When students fail to settle their debt or reach a suitable payment arrangement, to provide the Student Accounts Office with up-to-date contact information, the University refers these delinquent accounts to a collection agency. Neither the University nor the collection agency is able to collect on the account, the University reserves the right to have the student reported to a credit bureau. You should be aware that the Uni

Please see the Student accounts website at www.mcgill.ca/student-accounts

5.1 Academic Standing

You enter the University in satisfactory standing, and your academic standing is determined soon after the end of a term based on your regulations. Standing codes are generated in January for the Fall term, in May for the Winter term, and in September for the Summer term, and are displayed on your McGill ofcial and unofcial transcripts. If you receive unsatisfactory standing, you must apply to your faculty for readmission. Consult the appropriate section of this publication for the regulations on academic standing for your faculty.

Note for Continuing Studies: If you are in unsatisfactory standing, you must apply to the Appeals Committee of your academic area.

5.1.1 Academic Standing: Fines (Faculty of Arts & Science)

Your academic standing is based primarily on your cumulative grade point average (CGPA), but may also be affected by your term grade point average (TGPA). The standing in each term determines if you are allowed to continue your studies in the next term, and if any conditions will be attached to your registration.

Decisions about academic standing in the term are based only on grades that are available in January, e.g., if you have deferred examinations or Fall/Winter spanned courses, grades for those courses do not affect your Fall academic standing. They will only affect your Fall TGPA. Therefore, academic standings for the Fall term are designated as interim. Note that interim standings do not appear on your ofcial transcript. Consult the appropriate section of this publication for the regulations on Interim standing decisions.

5.1.1.1 Satisfactory/Interim Satisfactory Standing: Faculty of Arts and Science (including B.A. & Sc.)

If you are in interim satisfactory or satisfactory standing:

- you may continue in your program;
- you have a CGPA of 2.00 or greater

5.1.1.2 Probationary/Interim Probationary Standing: Faculty of Arts and Science (including B.A. & Sc.)

If you are in interim probationary standing (at the end of the term):

- you may continue in your program;
- you should evaluate your course load and reduce it as appropriate;
- you are strongly advised to consult a departmental adviser before withdrawal deadlines about your course selection for the Winter term;
- you should see your faculty adviser to discuss degree planning.

If you are in probationary standing:

- you may continue in your program;
- you must carry a reduced load (maximum 14 credits per term);
- you must raise your CGPA to return to satisfactory standing;
- you should see your departmental adviser about your course selection;
- you should see your faculty adviser to discuss degree planning.

You will be placed in probationary standing:

- if your CGPA falls between 1.50 and 1.99 and if you were previously in satisfactory standing;
- if your CGPA falls between 1.50 and 1.99 and your CGPA in Fall or Winter is 2.50 or higher and if you were previously in probationary or interim unsatisfactory standing;
- if you were previously in unsatisfactory readmitted standing and you satisfied the relevant conditions specified in your letter of readmission, your CGPA is still less than 2.00.

5.1.1.3 Unsatisfactory Readmitted Standing: Faculty of Arts and Science (including B.A. & Sc.)

If you are in unsatisfactory readmitted standing:

- you were previously in unsatisfactory standing and were readmitted by your faculty or the Committee on Student Standing;
- you must meet the conditions specified in your letter of readmission to be allowed to continue in your program;
- you should see your departmental adviser to discuss your course selection;
- you should see your faculty adviser to discuss degree planning.

5.1.1.4 Unsatisfactory/Interim Unsatisfactory Standing: Faculties of Arts and Science (including B.A. & Sc.)

If you are in interim unsatisfactory standing (at the end of the fall term):

- you may continue in your program;
- you should evaluate your course load and reduce it as appropriate;
- you are strongly advised to consult an academic advisor before withdrawal deadlines, about your course selection;
- you should see your Faculty adviser to discuss degree planning.

If you are in unsatisfactory standing:

- you have failed to meet the minimum standards set by the faculties;
- you may not continue in your program, and your registration will be cancelled.

You will be placed in unsatisfactory standing:

- if your CGPA falls or remains below 1.50;
- if your TGPA in the Fall or Winter falls below 2.50 and your CGPA is below 2.00 and if you were previously in probationary, unsatisfactory readmitted, or interim unsatisfactory standing;
- if you were previously in unsatisfactory standing and were readmitted by the faculty or the Committee on Student Standing that you have not satisfied the conditions specified in the letter of readmission.

Appeals for readmission by students in unsatisfactory standing should be received no later than July 15 for readmission to the fall term, November 15 for the winter term, and June 10 for the summer term. Readmission will be considered only when extenuating circumstances that affected academic performance can be provided (e.g., medical or other documentation). If you are in unsatisfactory standing for the second time, you must withdraw permanently.

Normally, supplemental examinations are not permitted; however, if you are in unsatisfactory standing, you may appeal for permission to write a supplemental examination, clearly stating the reasons for special consideration and supporting proof as appropriate.

Appeals for readmission or permission for supplemental examinations must be submitted to:

- Arts: Associate Dean (Student Affairs)
- Science and B.A. & Sc.: Director of Advising Services

Note for students in the Concurrent B.Sc.-B.Ed. Program: If you receive an F or J in an Education Field Experience course, you are placed in unsatisfactory standing. Although you may complete your term, you are required to withdraw from the Concurrent Program. However, you may apply to transfer to a conventional B.Sc. program as outlined in the undergraduate Programs, Courses and University Regulations publication under Faculty of Science: [Science](#) or [Mathematics](#) for teachers.

5.1.1.5 Incomplete Standings: Faculties of Arts and Science (including B.A. & Sc.)

- Standing waits deferred exam.
- Must clear K's, L's or Supplementals.
- Standing Incomplete.

If you are a student with an incomplete standing (in winter or summer term):

- you may register for the fall term, but your standing must be resolved by the end of the course change period for that term;
- you may continue in the program if incomplete standing changes to satisfactory, probationary or interim unsatisfactory standing;
- you may not continue in your program and your registration will be cancelled if standing changes to unsatisfactory standing.

If your standing changes to unsatisfactory:

- you may ask for permission to continue in your program;
- you must make a request for readmission as soon as you are placed in unsatisfactory standing;
- you must provide proof of extenuating circumstances that affected your academic performance (e.g., medical or other documentation).

Requests for readmission following an unsatisfactory standing must be submitted to:

- Arts: Associate Dean (Student Affairs)
- Science and B.A. & Sc.: Director of Advising Services

If your standing is still incomplete by the end of course change period, you should immediately consult with your Student Affairs Office.

At the end of the winter term, if you have a mark of K or L, you will be placed in the appropriate standing in June, if the outstanding mark in the course will not affect your standing. Otherwise, standing decisions will be made only once incomplete marks are cleared. For more information about incomplete grades, please refer to [Incomplete Courses](#).

Note: Requests are made at Service Point (3415 McEwen Street). However, it is important that you also see an advisor in Dawson Hall to talk about your options and the effects that your request may have on your studies. For more information, see [www](#)

For more information about academic standing, see www.mcgill.ca/engineering/student/sao/policies/academic

5.1.3 Academic Standing: Faculty of Law

If you do not obtain a sessional Grade Point Average (GPA) at the end of Fall and Winter terms combined) of 1.50, you will be required to withdraw from the Faculty. If your sessional GPAs between 1.50 and 1.99, you will be permitted to continue with your program, but you must obtain a subsequent sessional GPA of 2.50 or a Cumulative GPA (CGPA) of 2.00. You must have a CGPA of 2.00 to be considered for graduation. Students who are required to withdraw from the Faculty may be authorized to continue in their program by the Faculty Admissions Committee if there are exceptional reasons for the required withdrawal.

5.1.4 Academic Standing: Continuing Studies

If you are in unsatisfactory standing, you must apply to the Appeals Committee of your academic area.

5.1.5 Academic Standing for Degree Students Registered in the Summer Term

If you are in Unsatisfactory Standing, you may register in Summer courses, but you will be blocked from Fall term registration unless you have been readmitted by your faculty. Consult the student affairs office of your faculty for more information (www.mcgill.ca/students/advising/advisingdirectory).

If you are graduating at the end of the Winter 2012 term, you can still register in Summer courses, but you will be classified as a Special Student. Please contact Enrolment Services on the Downtown campus or the Student Affairs Office on the Macdonald campus for Change of Program Status Form and for further information.

You are reminded that you cannot graduate at the end of the Summer 2012 term and attend the Spring 2012 convocation if you complete your degree requirements during Summer 2012, you will be granted your degree at the Fall 2012 convocation.

5.2 Credit System

Revision, February 2012. Start of revision.

The faculties listed in this publication use the credit system, where each course is assigned a credit rating reflecting the number of weekly contact hours. In general, a three-credit course indicates three hours of lectures per week for one term. This does not apply to all faculties. Laboratory contact hours usually count for fewer credits. Credits also reflect the amount of time required of the student and generally assume one hour of personal study for each contact hour.

The credit weight of each course is indicated in parentheses beside the course title.

Note: Credit for multi-term courses (courses with the suffix D1, D2; N1, N2; J1, J2, J3) is granted only after successful completion of all components in the specified time frame. Example, a student would have to take D1 and D2 components in consecutive terms and successfully complete them both in order to obtain credit.

Note for Agricultural and Environmental Sciences, and Sciences: As a guideline, a one-credit course would represent approximately 45 hours total work per course. This is, in general, a combination of lecture hours and other contact hours such as laboratory periods, tutorials, and problem periods as well as personal study hours.

Note for Engineering: One credit normally represents three hours total work per week. This is, in general, a combination of lecture hours and other contact hours such as laboratory periods, tutorials and problem periods as well as personal study hours. As a guideline, the average number of hours per week of course activities is indicated in hours in the course listing after the course credit. Example, (3-0-6) indicates a course consisting of three lecture hours per week, no other contact hours, and six hours of personal study per week.

Note for Summer Studies: For Summer courses, a three-credit course usually indicates ten hours of lectures per week starting in either the May, June, or July session and spanning a maximum period of six weeks.

Revision, February 2012. End of revision.

5.3 Grading and Grade Point Averages (GPA)

Courses can be graded either by letter grades or in percentages. The official grade in each course is the letter grade. Where appropriate, a class average appears on transcripts expressed as the letter grade most representative of the class performance.

Since Fall 2002, the University has only used letter grades on transcripts and graduation forms.

Grades A through C represent satisfactory passes, D a conditional (non-continuation) pass, and F a fail. Certain courses have been approved for Pass/Fail (P/F) grading. Students may also designate certain courses to be graded under the S/U option. See [Section 3.11 Courses Taken under the Satisfactory/Unsatisfactory \(S/U\) Option](#)

You must obtain a grade of C or better in courses that you take in program requirements. You may not register in a course unless you have passed all the prerequisite courses with a grade of C or better, except by written permission of the appropriate department chair.

Grades	Grade Points	Numerical Scale of Marks
A	4.0	85 100%
A-	3.7	80 84%
B+	3.3	75 79%
B	3.0	70 74%
B-	2.7	65 69%
C+	2.3	60 64%
C	2.0	55 59%

Grades have the following designations:

B+, B, B-	Good
C+, C	Satisfactory
D	Conditional Pass
F	Fail

5.4 Grading and Grade Point Averages (GPA): Other Grades

Other Grades

J	unexcused absence(s); the student is registered for a course but does not write the final examination or do other required work; calculated as failure in the GPA and CGPA
K	incomplete; deadline extended for submission of work in a course
KE or K*	further extension granted
	failed to meet the extended deadline for submission of work in a course; calculated as failure in GPA and CGPA /F4 8.1

5.5 Grading and Grade Point Averages (GPA): Unexcused Absences

All students who miss a class are given a J grade. You then have the following options:

1. Ask to be assigned a grade based only on the grades earned for your work.

You can find information about issues related to academic integrity at www.mcgill.ca/students/srr/honest

Note for Engineering Students You should also refer to the Engineering website for more information at www.mcgill.ca/engineering/student/sao/policies/examinations/examination

Note for Law Students You should also refer to the Law website for more information at www.mcgill.ca/law-studies/information/exams

Note for Continuing Studies Students You should consult the academic sections of this publication for particular regulations.

Revision, February 2012. End of revision.

6.1 Class Tests

Members of the teaching staff may give interim class tests from time to time.

6.5.1 Final Examinations: University Regulations Concerning Final Examinations

6.5.1.1 Preamble

The objectives of these regulations are as follows:

1. to protect students from excessive workloads;
2. to use the full 15-week term to maximum advantage.

6.5.1.2 Regulations

1. These regulations shall apply to undergraduate courses up to and including the 500 level that are evaluated by the use of written examinations. They shall not apply to clinical, field, laboratory, performance, and seminar courses, or to other courses that are evaluated solely by means of a design, paper program, or project.
2. Written examinations (including take-home examinations) shall not be held during the last two weeks of scheduled classes during the first and winter terms, except where a pattern of continuous evaluation has been established, in which case the total of examinations given in this period shall comprise no more than 10% of the final mark.
3. If the written examinations in a course constitute 50% or more of the final mark, one of these shall be a final written examination, and it shall take place during the e

6.7 Final Examinations: Reassessments and Rereads

In accordance with the Charter of Students' Rights and subject to its stated conditions, you have the right to consult any written submission for which you have received a grade. You also have the right to discuss this submission with the instructor. If you want to have a formal final examination reread, you must apply in writing to your Student Affairs Office (the Associate Dean, Student Affairs, in the Faculty of Agricultural and Environmental Sciences and in the Schulich School of Music), or Service Point if you are a student in the Faculty of Arts or the Faculty of Science. You should check with that office regarding application deadlines for formal rereads.

6.7.1 Reassessments and Rereads: Faculties of Arts and Science (including B.A. & Sc.)

There are two recognized types of impartial reviews, i.e., reassessments or rereads:

- reassessment of coursework (term papers, mid-terms, assignments, quizzes, etc.);
- reread of a final exam.

In both cases, rather than recorrect the work and then grade it as they would have done themselves, re

20 The University

McGill University is one of Canada's best-known institutions of higher learning and one of the country's leading research universities. With students coming to McGill from about 150 countries, our student body is the most international of any medical-doctoral university in Canada.

20.1 History

The Hon. James McGill, a leading merchant and prominent citizen of Montreal, who died in 1813, bequeathed an estate of 46 acres called Burnside Place together with £10,000 to the Real Institution for the Advancement of Learning upon condition that the latter erect upon the said tract or parcel of land, an University or College, for the purpose of education and the advancement of learning in this Province; and further upon condition that one of the Colleges to be comprised in the said University shall be named and perpetually be known and distinguished by the appellation of McGill College.

At the time of James McGill's death, the Real Institution, although authorized by law in 1801, had not been created, but was duly instituted in 1819. In 1822 it was directed by the University of Lower Canada (McGill College). Further delay was occasioned by litigation, and the Burnside estates were not acquired until March 1829. The Montreal Medical Institution, which had given medical lectures at the Montreal General Hospital in 1822, was accepted by the College as its Faculty of Medicine in June 1829.

20.8 Student Governance

All students registered in an undergraduate program on the Downtown (McGill) campus are registered members of the accredited Students' Society of McGill University, affectionately known as SSMU. SSMU acts as your representative on issues inside and outside of the campus. There are six elected executives of the SSMU who represent all 20,000-plus undergrads on the Downtown campus. There is a legislative council that meets with representatives from faculty associations and other student groups around campus on a bi-weekly basis. This council of thirty-five members meets to discuss SSMU business. The SSMU runs over 200 clubs and services and provides a great deal of e
