All contents copyright © 2016 by McGill University. All rights reserved, including the right to reproduce this publication, or portions thereof, in any form.

McGill University reserves the right to make changes to the information contained in this publication - including correcting errors, altering fees, schedules of admission and credit requirements, and revising or cancelling particular courses or programs - without prior notification.

Not all courses are offered every year and changes can be made after publication. Always check the Minerva Class Schedule link at https://horizon.mcgill.ca/pban1/bwckschd.p_disp_dyn_sched for the most up-to-date information on whether a course is offered.

Fees: In addition to the regular McGill fees, students will be required to pay the additional costs associated with delivering the courses in the field. These costs include accommodation and most food, as well as other field costs; they do not include airfare. Fee details for the upcoming semester are available at www.mcgill.ca/bfs.

Students enrolled in the Barbados Field Study Semester (BFSS) program may be eligible for a Travel (Mobility) Award from the Government of Quebec; see www.mcgill.ca/studentaid/other-funding/mobilityawards for details.

A

8.2.1 Deadlines

All deadlines regarding student exchanges are available at www.mcgill.ca/students/international/goabroad. **Your Faculty Approval** deadline to participate in an exchange term/year abroad is in the preceding January (i.e., January 15, 2017, for a term abroad during the 2017-2018 academic year). The Faculty of Law has an earlier deadline. The deadline to submit the supporting documents (if required) for an application to participate in a student exchange for one or two terms of the 2017-2018 academic year is also available on the website.

Detailed information on the application process and deadlines is contained on the International Education website: www.mcgill.ca/students/international.

8.2.2 Bilateral

McGill no longer participates in the BCI exchange network, therefore an exchange is only possible with one of the bilateral partners listed at www.mcgill.ca/students/international/students-going-abroad/where-can-i-go.

Please take special notice of faculty, program, and/or term requirements.

9.2 Universitas 21

The Universitas 21 Consortium is an international network of leading research-intensive universities whose objective is to assist members' plans for internationalization, particularly in facilitating student exchanges and short-term research visits. McGill University currently has bilateral student exchange agreements with the following institutions within the U21 Consortium:

11 Off-Campus Summer Programs
